The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary make-up opportunities, locally or world wide, may be found at my.rotary.org/en/search/club-finder

Drs. Jeremy and Amanda Hess founded and operate Discover Chiropractic in Stockbridge, the busiest chiropractic practice in the state of Georgia. They are co-founders of AMPED, an entrepreneurial development program for chiropractors and natural healthcare providers. Their mission is to serve God by helping his people express more of their God given innate healing potential through principled chiropractic care. Most recently, Drs. Hess released their first two books – **BABY DESIGNED BY GOD** and **WOMAN DESIGNED BY GOD**.
